

# Wisdom Weekly Newsletter

## WEEK THREE OVERVIEW

As we enter the third week of the academic year, we want to ensure consistency with our expectations for all of our Generals. Please remind your students to wear the Wisdom High School uniform daily—solid gray or white polo with jeans or khaki pants. We are working to ensure that every one of our students is in uniform daily; if you need help purchasing a uniform shirt, please fill out the HISD Student Assistance Form. Additionally, we are working alongside our IT Department to provide each student with an updated Wisdom HS ID. We are asking that each student wear their ID when they are on campus. This helps us identify where students are supposed to be and at what time.

## OPEN HOUSE, THURSDAY

Please make time this Thursday, August 29th, from 6:00 to 7:15 PM to meet Principal Bush, alongside your General's teachers and administrators, at the 2024 Wisdom High School Open House Night. You will be able to walk the campus with your students and meet each one of their teachers. We hope to meet as many parents and family members as possible.

*Wisdom High School Football Team wins first home scrimmage 28-0*

## ATTENDANCE MATTERS

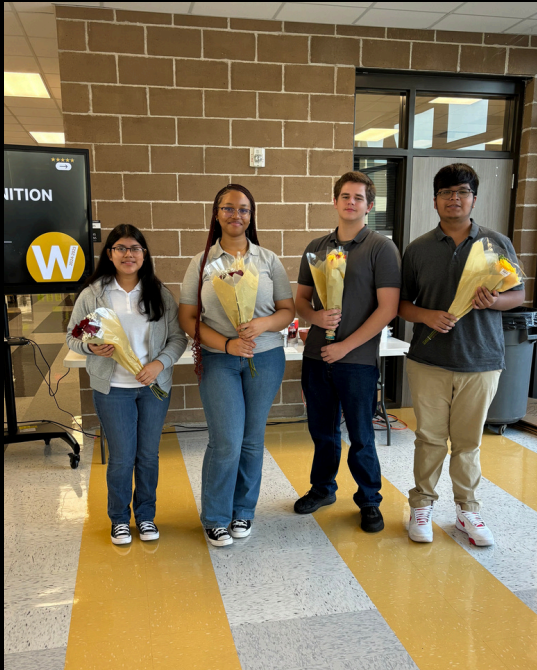

Attendance matters. Students who miss more than three classes in one subject can only earn the course credit if they make up for the missed seat time. If you have a student who has missed classes due to medical or judicial reasons, please submit your excuse notes online through the Wisdom High School Website under the attendance tab.

As a parent or guardian, you can monitor your students' grades and attendance through the HISD PowerSchool app. When you come to campus you can request your PowerSchool code which is unique to you and your students and create an account. PowerSchool makes staying informed about your students grades and attendance easy when you set alerts.

## MOVING FORWARD

Superintendent Mike Miles visited our campus last week and was pleased with our student's growth and the strides Wisdom is making to provide high-quality instruction to all students every day of the year. We want to keep our parents informed and at the center of our decision-making process. If you are interested in joining our Parent Teacher Organization, holding a position in our Shared Decision-Making Committee, or even supporting WHS through volunteering, please get in touch with our campus.

# WISDOM HIGH SCHOOL SPOTLIGHT

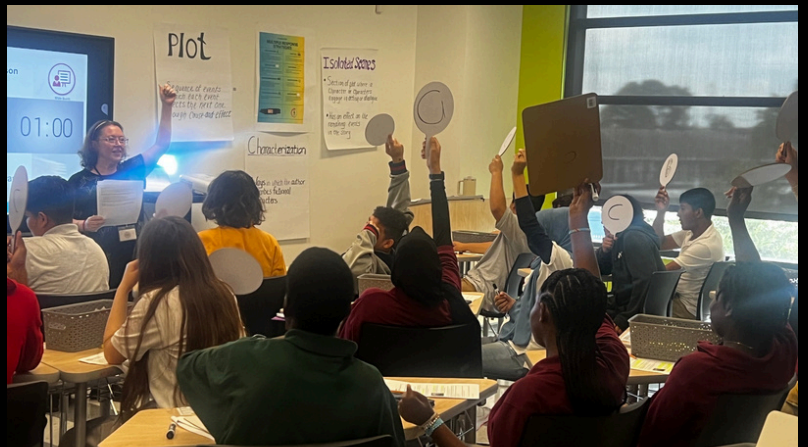

Wisdom Seniors Maya, Kosi, Joshwua, and Miguel were honored last Friday at the National Awards Recognition breakfast, where each received awards for their outstanding scores on the College Board's Advanced Placement exams.

On Friday, Houston ISD recognized Wisdom High School for having high scores in Algebra I and English II in last year's end-of-course exams. Principal Bush celebrated with students as they enjoyed a free ice cream treat during lunch.

Mr. Harrell and his students are exploring Newton's Laws of Motion in their IPC class.

Ms. Nails and her students are examine how setting impacts a character in their ESOL II class.
