Dear HISD Parent:

Thank you for all that you have done this school year to support your child during an unprecedented shift to online learning in the wake of COVID-19. In order to guide decision-making, align academic and social/emotional supports, and increase equity in the 2020-2021 school year, we want to hear from you.

The HISD Research and Accountability Department is launching its districtwide HISD COVID-19 Response Parent Survey, which will run from June 15 through July 2. Parents are asked to fill out the survey online at HoustonISD.org/ParentSurvey. The survey is also available in Spanish, Vietnamese, and Arabic.

Included in the survey are general family questions, as well as questions about each child’s experience with remote learning. There are a total of 24 questions, with that number increasing if responding about experiences for more than one child.

If you do not have internet service, you may complete the survey via phone by calling the HISD @ H.O.M.E. hotline at 713-556-INFO (4636) – which will be available Monday through Thursday from 9 a.m. to 2 p.m. Operators can offer assistance for alternate language requests.

Thank you in advance for your input during this process. Your feedback, along with the data that is gathered, will help us better support our students and families for the coming school year.

Sincerely,

Grenita F. Lathan, Ph.D.
HISD Interim Superintendent
