MESSAGE FROM THE PRINCIPAL

Dear Students and Parents,

As we observe Holocaust Remembrance Week, it is essential to reflect on the historical significance of this period and honor the memory of the victims. Through various educational initiatives and activities throughout the week, we aim to deepen understanding, promote empathy, and emphasize the importance of tolerance and inclusivity.

This week provides an opportunity for meaningful conversations at home and in the classroom about the impact of history on our present and the responsibility we bear to prevent such atrocities in the future. We encourage you to engage in discussions, explore resources, and participate in remembrance activities to ensure that the lessons of the Holocaust are not forgotten.

Let us come together as a community to commemorate the lives lost, stand against discrimination, and commit ourselves to building a more compassionate and just world.

Sincerely,
Tiffany M. Chenier
Principal

Houston Proud

It is an exciting time for football enthusiasts in Houston as our beloved Texans are vying for the AFC South Division title! As a community that thrives on unity and support, let us come together to cheer on our local heroes. Whether you are a die-hard football fan or just enjoy the camaraderie of cheering for our home team, let us show our Texans some love. Take a moment to discuss the games with our Rams, sharing the joy of supporting our local team. Perhaps even organize a watch party with fellow parents and students to celebrate the victories and share the excitement. This is not just about football; it is about fostering a sense of community pride. Let us unite as the T. H. Rogers family and amplify our cheers for the Houston Texans! Together, we make a winning team!
