

FRANK BLACK MIDDLE SCHOOL CONCERT BAND **COURSE OBJECTIVES AND GRADING PROCEDURES**

Aesthetic experiences are a vital part of student growth. Band, as a musical organization, provides one medium of aesthetic expression for students. Our department goal, therefore, is that each student be able to express the aesthetic values of music through performance skills and theory comprehension.

This class meets every other day during the school year. Concert Band is made up of like family instruments (woodwind, brass, and percussion) to enhance more uniform instruction. The Frank Black Concert Band performs at 2 on campus concerts: **Winter Concert (December 14/ Rehearsal: Dec. 13 3:30 – 5:30pm), and Spring Concert (April 28/Rehearsal: April 27 3:30 – 5:30pm)**, in the **F.M. Black Auditorium**. Other performances include off-campus activities such as **1 football game (October 18), Waltrip Concert and Sight-Reading Festival, All – City Band Auditions (October 29 @ Pershing Middle School)** and other community activities. Since each class meets separately during the school day, we can only prepare the **whole band** by having after-school rehearsals, which are **curricular** and therefore **graded activities**. These rehearsals are mandatory and necessary for every student participant. These rehearsals are set from 3:35pm – 4:35pm. All students should wear the following for all concerts: **Male White collard button down long sleeved shirt (tucked in), Black Slacks, long black socks/hosiery, black dress shoes (close toed), Black belt, Vest/Tie (issued by Band Director) - -- jeans, shorts, flip flops or sneakers will *not* be allowed.** Letters, emails, and/or website postings will be sent with the student in advance regarding specific times and other important details about each concert.

GRADING PROCEDURES

50% - of the six – weeks grade will be based on daily grades including class work and participation.

30% - of the six – weeks grade will be based on major tests including playing tests and written exams

15% - of the six – weeks grade will be based on major quizzes

5% - of the six – weeks grade will be based on the amount of daily home practice. Students are required to practice at least 43 minutes a day (5 hours per week) in order to receive a 100% on their practice sheet that week. If a student cannot practice at all on a given day due to an unavoidable conflict, the practice time must be made up on another day within that practice week. We **strongly** encourage equally – distributed practice time in order to promote musical success. **Points will be appropriately deducted if a student turns in less than the required time. Likewise, extra credit will be given to students who practice more than the weekly requirement. Parents will sign the student’s practice sheet each week to verify the amount of home practice in ink, No initials.** Practice sheets will be checked the **first day their class meets**, and in the case of a holiday, teacher in-service day, etc., practice sheets will still be checked on the first day their class meets. Short writing assignments will be given to students not having their practice sheets filled out and signed on the first day their class meets. In addition, 10 points will be deducted per day regardless of when the class meets.
