

Welcome to October!

Mr. Mayweather's Kindergarten Class

October 5, 2015

We've made it past our first full month of school.

Our class has covered a lot of material since school began. In Language Arts, we read classics such as "Little Boy Blue", "Jack and Jill", "Little Miss Muffet", "Humpty Dumpty", and "Diddle, Diddle, Dumpling." We began reading the words "I", "am", "a", "the", and "little." Throughout the school year, we will continue to review our alphabet letters, as well as the High Frequency Words (HFW), which will appear on tests. In Social Studies class, we discussed what needs and wants are. We also talked about our state! We learned that "Texas" means "friend," and we learned our state bird (Mockingbird), tree (Pecan), flower (Bluebonnet), and other trademarks of Texas (Cowboys!)

Please read with your children at least 20 minutes every day. Recipes are an excellent choice to read this month, because we reviewed the concept of capacity in Science class and greater than / less than in Math class. To understand capacity, we weighed sand in containers. To understand greater than / less than, we began decomposing numbers. A YouTube video to explain decomposing numbers has been posted on our Class website at Shutterfly.com – If you haven't joined our class website, please contact our acting Room Parent, Elizabeth Tuma, at thetumafamily@gmail.com

If you have any questions, or need to schedule a parent-teacher conference, the best way to communicate with Mr. Mayweather is in person before or after school. Your next best option is to call the school office at 713-867-5161. Our class is also looking for a Room Parent! Please contact Elizabeth Tuma at the above listed email address to volunteer.

Thank you for helping our school year be a fun and successful experience!
