

Dear Parents,

Summer is finally here. Reading during the summer is so important! Please encourage your child to read for at least 20 minutes on a daily basis.

To help your child stay on track with their reading, The School at St. George Place is encouraging all students in Kindergarten - 4th grade to participate in our summer reading challenge.

Summer Reading Challenge Rules

- Students complete reading challenges to create a bingo, either vertically, horizontally, or diagonally. *Bonus Round: Complete a blackout bingo by completing all reading challenges!*
- Record the title of the book on the reading log and check how the book was read: listened to it, read with an adult, or read by myself.
- Return completed Summer Reading Challenge bingo board and reading log to the front office between August 22 - 26, 2022 to receive your prize.

Thank you for taking an active part in your child's learning. Have a great summer!
