Message from Mr. Garcia

Greetings students,

As you know, I am your principal Mr. Garcia. I hope that you are as excited as I am to start the new school year! I love seeing my students learning and having fun in their classrooms with their teacher. I know that sometimes things can be difficult, but that's okay, we are here to help. Remember to always be nice and respectful to everyone. Well I hope to see you around school!

- Mr. G
