

## Vanguard Magnet

Oak Forest Elementary promotes a learning community characterized by child-centered instruction, academic excellence, respect, and community involvement. We are committed to developing children who are ready to succeed in school and in the world around them.

Our campus became a magnet school in 1974. OFE provides educational experiences appropriate to the needs of gifted and talented students. Children are challenged by state certified teachers with a curriculum stressing problem solving, originality, creativity, and the uniqueness of individuals.

We offer:

- Student-centered learning with an emphasis on rigor and challenge in all content areas
- High standards and expectations in a nurturing and stimulating environment
- Opportunities to strengthen and develop thinking skills with the use of Scholars and Knowledge course:
  - Scholarly Behavior
  - Depth and Complexity
  - Interdisciplinary Studies
  - High Level Thinking Skills
  - Advanced Level Products
  - IIM Investigative Method of Research
