General Information

PRACTICES

All practices and football games are mandatory. This is dance, not football. If a dancer is missing it affects everyone in that dance. It causes spacing, counts, and formations to be off. We cannot just put another person in that spot. Last minute adjustments cause stress

Practice Days-As a general rule, the team practices Monday through Thursday. The exception to this rule is the day before competition, Saturday practice to use the gym or if there is a holiday or cancellation of school.

Practice times- Practice will usually end at 5:30 or 6 pm during the school week.

Practice Attire- Varsity will wear their practice attire from team camp. The JV will be required to wear all black for practice.

Missing the last practice before a scheduled performance may result in the student being completely removed from the performance without warning.

Students must attend at least 60% of rehearsals to remain in a performance. For example, if a dance is rehearsed for 3 weeks but the student leaves practice an hour early, every single day of those practices, they could be removed from the performance.

PERFORMANCES:

Performances are a privilege not a right.

Some performances will be a group requirement or earned through auditions.

Every student will have an opportunity to perform at every game, show, pep rally and competition.

Transportation to all football games are provided through the district

PICK UP POLICY:

Please pick up your student no later than 15 minutes after the event is completed or after we return to the school.

SOCIAL MEDIA:

No inappropriate content (pictures, videos, statements). Everything online represents everyone on the team.
