Make Your Mark at Westside

Show your Westside pride with a customized Wolf Paw Print. The Westside Band recently took over stewardship of the paw painting program and would love to paint a paw on our beautiful campus to honor your student. Click [here](#) to download the order form and send it in.

Freshly-painted paws are ready for customization in various areas around campus, including the courtyard, the Field House, and the Band Hall. Band volunteers are catching up on back-logged orders from the old program and ready for more!

Westside Wishes

Please support our teachers through the PTO's "Westside Wishes" campaign. We asked our teachers, "What item do you really need for your classroom or program that will improve students' learning experience?" You can help to provide the requested items! Click [here](#) to go to our Go Fund Me page.

Our annual Westside Wishes program gives teachers access to resources that may fall outside of the school's budget. Click [here](#)

to view to our 2018 Teachers' Wish List. All wishes have been approved through administration. If you prefer, you can make tax deductible donations towards the campaign by writing a check. Please make checks payable to WHS PTO and return to the Main Office.

Thank you for helping to grant the wishes of our teachers!

Sprucing Up During Spring Break

Students returned from Spring Break to find a few “home improvement projects” were completed here at school while they enjoyed some time off.

Among the many updates, inspirational messages appeared in prominent locations throughout the building, the arrangement of patio furniture was improved in the courtyard, Wolf mascots were painted in the Field House, and a “pixelated mural” now adorns an area of the Learning Commons. Later this week, a large mural will be completed in the Commons. Additionally, many students will benefit from the addition of twenty five Smartboards installed in classrooms throughout the building.
