Football Launches Fall Season

Hurricane Harvey may have caused a delay in launching Westside's football season, but it did not dampen the excitement of our players and coaches at our season opener against Fort Bend Bush HS last Thursday night. Although we did not get the win, the fans were happy to be back in the bleachers cheering on the Wolves. The band, cheerleaders, and Pride did a stellar job revving up the crowd and spurring on the team.

Trek on out to Angleton and show your school spirit as the team takes on the Wildcats this coming Friday night at 7:30pm. Tickets are on sale in the Field House in room F106 during lunches on Wednesday, Thursday, and Friday. Student tickets are \$4, and adult tickets are \$6.

Outpouring of Support for Wolves in Need

Many Westside students and staff have been affected by the flooding around the Houston area. Over the last week, our community members have opened their hearts and their wallets to support our Wolves in need. Efforts to support the Wolf Family are ongoing, as the road to recovery will extend many months into the future.

Students who experienced losses due to the storm have been offered a variety of resources through their deans and counselors. They have received school supplies, backpacks, clothing, and essentials to get back on track at school.

In an effort to aid our staff members suffering effects of Hurricane Harvey, we are collecting Gift Cards to ease the burden of mounting expenses.

Among the many options you have to donate toward Hurricane Harvey relief efforts, please consider the following options to benefit our own Westside students and staff:
