Educational Partner Provides Harvey Relief

(Left-Right) Jane Miller, Downelle Campbell, Jane Hall, and Bridgette King

Westside's educational partner, Apex Learning, recently sent representatives to our campus to present gift cards to three staff members who had been seriously impacted by Hurricane Harvey. Magnet Coordinator Jane Miller, School Nurse Downelle Campbell, and Teacher Jane Hall were pleasantly surprised by this kind gesture.

Apex Learning, which develops software used in our Grad Lab, conducted a team-

building activity designed to turn their faces to the students, teachers, and classrooms they serve. They raised funds to support recovery in the Houston area.

Bridgette King, our Westside Grad Lab coach, was on hand to share the moment with her colleagues.

Thank you to Apex Learning for your generosity and support of our staff as they re-build in the aftermath of Harvey.

Seniors were escorted by their parents, coaches, or mentors and all were honored for their passion, commitment, and school spirit.
