School and Parent Compact for Student Success

September 24, 2015

SCHOOL PLEDGE:
Pugh Elementary is committed to the belief that all children can learn and acknowledges that all of us (teachers, administrators, and parents), working together, can make a positive difference in student achievement. The school will provide an optimum learning environment in which students can experience success and achieve excellence in learning by:

- providing an environment that allows for positive communication between teacher, student and parent
- providing educational activities and experiences which are appropriate to each child’s needs
- providing homework that reinforces classroom instruction
- aligning instruction to assessments given to students
- providing students and parents with timely information about student progress
- offering training to parents on ways in which they can ensure that their children continue learning at home (APTT)

PARENT PLEDGE:
As parents we want our children to have the best possible education and realize that a strong school is essential. We will therefore join with Pugh Elementary in providing an optimal learning environment for our child(ren) by:

- insisting that homework assignments are done each night
- discussing at a designated time each evening (i.e. dinnertime) what my child(ren) have learned at school that day
- reminding my child(ren) of the necessity of discipline in the classroom especially self-discipline providing for my child(ren) a minimum of one hour three times a week of uninterrupted time devoted to an instructional activity (without the TV)
- getting my child to school on time every day unless he/she is ill
- assuring that my child(ren) arrives at school ready to learn (well-rested, fed and clean)

If you have any questions or comments, please call the school @713-671-3820 or email at hortizma@houstonisd.org.

Respectfully,

Claudia Romano
