Believe WE CAN...Know WE WILL!!

Hello Benavidez Parents and students,

Welcome Back for the 2021-2022 school year!! We are so excited to see our students and parents again and to get this new school year started! We are strong, committed and ready for the work ahead.

Considering everything that the last school year brought has brought us, what stays consistent is our commitment and dedication for our students and our school community. We will do everything it takes to ensure that our students are successful. For this to happen, we will need your help! All students deserve the best possible education and working together, teachers and parents, we will ensure they receive it.

This year our theme is **Believe WE CAN...Know WE WILL!!** We are coming into this new school year knowing that there is a great amount of work to be done, but we **BELIEVE** in our students and **KNOW** that we will give all that we can for them to be successful. **WE CAN** and **WE WILL!!**
