**Teaching, Reaching and Achieving without Borders!**

Dear Parents and students,

You are receiving this letter to let you know about the different enrichment classes that your child will be able to participate every day at Benavidez from June 17<sup>th</sup> through July 8<sup>th</sup>. This summer, we are so excited to be able to offer Summer Enrichment activities through the **HISD All In!** program. Benavidez Elementary was selected as one of the schools to receive special funding and resources to provide enrichment classes, during summer school, for students in 1<sup>st</sup> grade through 5<sup>th</sup> grade. This is so exciting and important especially because the students have not been able to participate in enrichment school activities and field trips due to the pandemic. Now, we are fortunate to be able offer fun enriching programming for them to enjoy. The dates are June 17-July 8<sup>th</sup> at Benavidez!

Even if you child is not attending summer school, they can still come to Benavidez and participate in our summer enrichment program!! Please see the classes below:
