Early College Magnet Program

Why should I choose an Early College?

As an Early College High School with an international studies focus our goal is to:

1. Provide a rigorous course of study
2. Enable students to receive a Distinguished Level of Achievement High School diploma
3. Lead students to earn an Associate Degree
4. Provide students with academic, social, and emotional support in their course of study
5. Provide students with opportunities in and out of the class to expand their international perspective

World of Difference

Student Support

College and Career Readiness

College Access

- Two college access coordinators (CACs) assigned to HAIS
- CACs help HAISers register for admissions exams like the SAT and ACT
- CACs help HAISers apply for college, scholarships, and financial aid

AVID

- Advancement via Individual Determination (AVID) is a college readiness program designed to help students develop the skills they need to be successful in college
- AVID places special emphasis on growing writing, critical thinking, teamwork, organization, and reading skills as well as providing social and emotional support to students
- AVID serves as our advocacy class, and HAISers meet in AVID every day all four years at HAIS

Senior Internships

- During junior year, our internship coordinator works with HAISters to identify potential organizations that match their career interests
- Students initiate contact with these organizations in search for an internship placement and mentor
- During senior year, students are off-campus at their internship sites
- Previous internships include placements in the medical center, in the mayor's office, at law firms, at the Houston Chronicle, in the Houston Public Library system, and many more!

Additional Programming

- [EMERGE](#)
- [EY College MAP](#)

Students must apply and be accepted to participate in these programs.

Independence

HAIS Students are HCC Students and treated as such. They practice independence by:

- staying on top of their assignments
- communicating with professors
- monitoring their grades
- Learning how to self-advocate
- Making their way to and from the HCC campus either using the provided shuttle or walking.

International Experiences

students to learn beyond the
classrooms.

Travel Abroad

Global Experiences in Our Backyard

We have international programs and events on our campus right here in Houston, so whether students decide to travel or not, they still receive some kind of global experience at HAIS. Experiences include:

- Dragon Boat Racing
- [Global Nomads](#)
- HAIS Phoenix Festival
- Model United Nations (MUN)
- Rotary International Interact Club
- Local International Field Trips
