

## Waltrip High School 2024-2025

### School-Parent Compact

#### SHARED RESPONSIBILITY FOR EXEMPLARY STUDENT PERFORMANCE

Waltrip High School is committed to improving the achievement of all students. Waltrip High School along with the parents of students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the state's high standards. This achievement can only be reached if the parents and school work together. To ensure that all students succeed and the achievement gap is closed, the school and parents must communicate.
