**Counselor Acknowledgement:** I have verified that the student is requesting the correct course required for high school graduation. I confirm that the student is allowed to take the course online through the HISD Virtual School Department, and that the course credit and grade will be accepted by the school named above. I am aware that starting with the 2011-12 school year, all students entering the 9th grade are required to complete an End of Course (EOC) Exam for the courses identified by the Texas Education Agency. The exams must be taken at the student's campus, which is named above. In addition, I know that the Virtual School Department will include me in progress reports, and may request my help in reaching out to a student, should the need arise.

Furthermore, I have made arrangements with the parent/student for completing a supervised final exam and/or EOC, if required, on my campus, which is named above.
