MIMS DRESS CODE POLICY

The goal of our dress code is to ensure that students remain focused on learning and to create a positive and safe environment. We appreciate parent and student support in upholding our dress code. HISD allows each individual campus to establish its own dress code. Violations of the dress code policy will result in disciplinary action, per the HISD Student Code of Conduct. Besides the categories listed below, accessories, including jewelry, that distract from the educational process, are not allowed. Teachers will actively monitor and enforce the student dress code daily and parents will be notified about non-compliance. Students who do not comply with the dress code will be sent to the office to call parents to bring a change of clothes. School administrators have the final authority for decisions regarding the dress code.

EXTRACURRICULAR ACTIVITIES, CLUBS, AND ORGANIZATIONS (All Grade Levels)

Participation in school-sponsored activities is an excellent way for a student to develop talents, receive individual recognition, and build strong friendships with other students; Participation, however, is a privilege, not a right. Participation in some of these activities may result in events that occur off-campus. When the district arranges transportation for these events, students are required to use the transportation provided by the district to and from the events. Exceptions to this may only be made with the approval of the activity's coach or sponsor.

Eligibility for initial and continuing participation in many of these activities is governed by state law and the rules of the University Interscholastic League (UIL), a statewide association overseeing inter-district competition.

If a student is involved in an academic, athletic, or music activity governed by UIL, the student and parent are expected to know and follow all rules of the UIL organization.

Students involved in UIL athletic activities, and their parents can access the UIL Parent Information Manual at <https://www.uil texas.org/athletics/manuals>; a hard copy can be provided by the coach or sponsor of the activity on request.

In addition, the following provisions apply to all extracurricular activities:
