HISD SEL Bully Prevention Week

#HISDStartWithHello
October 14-18, 2019

Join Us October 14-18 as we raise awareness and bring attention to a growing epidemic of social isolation. Social isolation is the overwhelming feeling of being left out, lonely or treated like you are invisible. Young people who feel this way may pull away from society, struggle with learning and social development, or choose to hurt themselves or others.

Campaña para evitar el acoso en HISD

Semana del 14 al 18 de octubre de 2019

Únase a nuestra campaña para evitar el acoso escolar que tendrá lugar la semana del 14 al 18 de octubre para crear mayor conciencia de la creciente epidemia de aislamiento social. El aislamiento social es un sentimiento abrumador de exclusión, soledad e invisibilidad. Los niños y jóvenes que se sienten así podrían retraerse, rezagarse en su aprendizaje y desarrollo social u optar por lastimarse o herir a otras personas.

| | | |
|-----------------------------|---|---|
| LUNES Oct. 14 | Vestir ropa anaranjada y decir "Hola". | Además de vestir prendas anaranjadas, los estudiantes, maestros y personal escolar llevarán puestas etiquetas con su nombre todo el día para saludarse diciendo "Hola", seguido del nombre de la persona a quien saludan. |
| MARTES Oct. 15 | Promover actos de bondad | El objetivo es comenzar un movimiento fomentando la creatividad de los estudiantes para ser amables y bondadosos "porque sí". |
| MIÉRCOLES Oct. 16 | "Hola" para todo el mundo | Decimos "hola" en otro idioma, y podemos enseñarle a alguien cómo decirlo en un idioma que la persona no conozca. |
| JUEVES Oct. 17 | Muro de selfis positivos | Muro de positividad, bondad o sonrisas de toda la escuela donde los estudiantes pongan mensajes, elogios y notas de aliento. |
| VIERNES Oct. 18 | Hoy nadie come solo #HISDNoOneEatsAloneDay Inscríbese AQUÍ y participe. | A la hora del almuerzo usen las tarjetas con ideas para romper el hielo y conversar. Los estudiantes invitan a otros a participar para que nadie coma solo. |

Proximamente en video con la Dra. Lathan, Superintendente-interina!

HISD October Anti-Bullying Awareness Month

PROMISE 2 START WITH HELLO

Coordinate different clubs and sports teams to meet, greet, and say “Hello” as all students and staff enter the school building or campus. Set-up a ‘Name Tag’ station near the school entrance where students and staff can create homemade name tags to wear throughout the week.

Share resources with other teachers about the power of effective communication and the significance of a simple “Hello.” Newsela is a free resource for teachers that levels texts for all age groups. The text set entitled [Oh Hello: How We Communicate and Why Words Matter](#) is an excellent way for classroom teachers to integrate literacy skills during the month.

Teachers can show student-created Start With Hello Week videos to inspire and engage students more deeply in the Start With Hello message and impact.

PROMISE 2 REACH OUT AND HELP

Put students in charge of setting-up a station, jar, bulletin board, or other area in the school and classroom where students can share notes and stories about how they reached out and helped someone else, or, they themselves were a recipient of help.

Helping Hands

Design a lesson for all students in the school to trace and cut-out a copy of their hands and create a Helping Hands wall. Have students write or draw ways they can reach out and help others on the hand and display the hands in a highly visible area of the school. Incorporate different variations of the word ‘help’ in English and other languages and reinforce the use of the word all day: help, helper, helpful, helping.

Mix It Up Day/ No One Eats Alone Day

Run a Teaching Tolerance-style Mix It Up Day or Beyond Differences No One Eats Alone Day during lunch to get students networking and mingling with students from different groups, cliques, and grade levels: [Mix It Up at Lunch](#) and [Newsela Making the Lunchroom a Friendlier Place](#).

PROMISE 2 BE KIND

There are many low-cost ways to place an emphasis on kindness for all grade levels including: Solicit statements of gratitude from students and staff that can be read over morning/afternoon announcements or scrolled on a TV monitor or broadcasting system. Host a Random Acts of Kindness movement and ignite students’ creativity by doing kind acts ‘just because.’

As a class, view the teacher read-aloud of the book: [Kindness is Cooler Mrs. Ruler](#) by Margery Cuyler. Organize a group project and charge students with the task of publishing their own books about kindness. Read, watch, and create a book about embracing differences and promoting tolerance. Watch the K – 2 version of the book [We’re All Wonders](#) for inspiration.
