Dear Thompson Elementary Parent(s)/Guardian(s),

Ensuring that children at Thompson Elementary are strong and confident readers is very important. Having access to books in the home is critical to their reading success and to their future. That is why we are pleased to partner with Barbara Bush Houston Literacy Foundation to bring their My Home Library program to Thompson Elementary this Spring.

My Home Library is an initiative of the Barbara Bush Houston Literacy Foundation, which provides students face-to-face access to books to build their own home library. Thanks to the generosity of the Barbara Bush Houston Literacy Foundation and Hess Corporation, your child will receive brand new books for free.

As a parent/guardian, you play an important role in creating a love of reading in your child. We are pleased to support you by increasing your family’s access to books in your home through My Home Library. Thank you for supporting your child’s participation in the My Home Library program.

Sincerely,
