Late Pick-Up Policy Update

Effective Tuesday, January 17, 2023

Several students are getting picked up late daily which have created problems with staff being able to leave work on time to get home to their families. Therefore, we are updating our late pick-up policy where we will be documenting and reporting habitual late pick-ups (**After 3 late pick-ups**) to Child Protective Services. It is not our desire to have to go this route, however we are not a babysitting service and cannot continue to watch your kids beyond our regular work hours. Late pick-ups are considered arriving to the school after **3:10** to pick up your child. In the event of an emergency please call the school to communicate with us so that we can work with you. If you are in need of daycare services, please don't hesitate to call the school to set up those services.

Thanks,

Thompson Administration
