WILSON MONTESSORI K-8

OVERVIEW

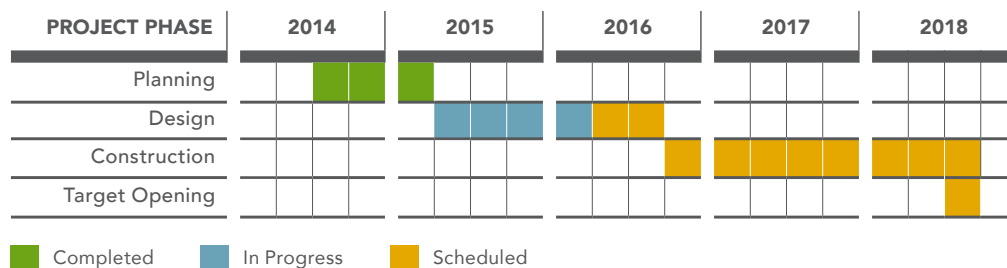

The Montrose building that is home to the Wilson-Montessori K-8 School was originally built as a small elementary school in 1924. The school was renovated in 2004 and became the district's first all-Montessori campus in 2005, after an agreement was signed with the Friends of Montessori non-profit organization.

The school has been growing in enrollment and now includes several temporary buildings. Under the bond program, the school is receiving \$18.9 million for an addition and renovations. Once construction is complete, those temporary buildings will no longer be needed.
