

# **Houston Independent School District**

## **345 East Early College High School**

### **2022-2023 Campus Improvement Plan**

# Mission Statement

The mission of East Early College High School is to prepare underrepresented populations for a successful college experience through increasing rigor, developing supportive relationships, and showing the relevance of knowledge to real life experiences.

We strive to graduate all incoming freshmen in four years with not only the advanced high school diploma but also with up to 60 hours of college credit.

## Vision

Every child shall have equitable opportunities and equal access to an effective and personalized education in a nurturing and safe environment. Our students will graduate as critical thinkers and problem solvers; they will know and understand how to be successful in a global society.

# Comprehensive Needs Assessment

Revised/Approved: September 19, 2022

## Demographics

### Demographics Summary

Our school student enrollment is 452 with 3% African American, 94% hispanic and 3% all others. 82.5% of our students are economically disadvantaged, .4% special education, 8% emergent bilinguals, and almost 44% at risk. Our attendance rate last school year was 98.3%. More than 50% of faculty has at least 6 years of experience.

East Early College High School is a 9-12 grade high school located in Houston's historic East End. We are an open-enrollment program that allow students least likely to attend college an opportunity to earn a high school diploma, an associate degree, or up to 60 college credit hours while participating in rigorous and accelerated instruction. 80.2% of our student body is considered to be Economic Disadvantaged, 7.8 English language learners and 0.4% receive special education services. Our students consist of 93.7% Hispanic, 3.1 African American, 2.7% Asian and 0.5% other. We are 100% magnet school with about 448 students and 24 full time teachers. Persistence of 9th grade and transfer students into fall of 12th grade is currently 88%. Currently, 92.9% of our students earn at least 15 college hours and 69% of our students graduate with an Associate degree.

East ECHS has received Nation Blue Ribbon designation in 2012 and 2018. Blue Ribbon Designation is a Designation that recognizes schools from 2015–2019 where students perform very well or significantly improve their performance on the State of Texas Assessments of Academic Readiness (STAAR) test. Students participate in our Renewable Energy program of study, which includes unique coursework in engineering, electronics and geology. Additionally, we offer AVID elective course in order to prepare all students to succeed in education and global society by equipping students with tools to effectively manage academics and mental wellness. In addition to meeting social and emotional needs of our students, key to our school's success is the determination to provide students with the same opportunities provided by more affluent schools and by larger, more comprehensive high schools. We do this by offering One Goal programming to ensure students have a secure postsecondary plan, with support continuing one year post-high school. These relationships and partnerships continually evolve to maximize opportunities for our students.

### Demographics Strengths

Our most recent accountability ratings is a 98 and we are ranked one of the top ten schools in the city of Houston. We have increased the number of faculty, and currently have the highest number of dual credit teachers that we have ever had. We also have a full-time nurse, counselor, and social worker on campus. Our district provided our campus with a Wraparound Specialist to support students and families with non-academic needs so students can be successful at school. We offer students multiple fine arts elective options, adding visual arts this school year.

### Problems of Practice Identifying Demographics Needs

**Problem of Practice 1:** Number of students "At Risk" is not consistent with district average. **Root Cause:** We have students who qualify for "at risk" services who are not identified as such

# Priority Problems of Practice

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## **Improvement Planning Data**

- District goals
- HB3 CCMR goals
- Planning and decision making committee(s) meeting data

## **Accountability Data**

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data

## **Student Data: Assessments**

- STAAR released test questions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Postsecondary college, career or military-ready graduates including enlisting in U. S. armed services, earning an industry based certification, earning an associate degree, graduating with completed IEP and workforce readiness
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- Career and Technical Education (CTE) Programs of Study data including completer, concentrator, explorer, participant, and non-participant information
- SAT and/or ACT assessment data
- PSAT

## **Student Data: Student Groups**

- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Section 504 data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data
- Dual-credit and/or college prep course completion data
- STEM and/or STEAM data

## **Student Data: Behavior and Other Indicators**

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Mobility rate, including longitudinal data

- Discipline records
- Student surveys and/or other feedback

**Employee Data**

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Campus leadership data
- Campus department and/or faculty meeting discussions and data

**Parent/Community Data**

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

**Support Systems and Other Data**

- Organizational structure data
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data

# Board Goals

Revised/Approved: September 19, 2022

**Board Goal 1:** The percentage of 3rd-grade students performing at or above grade level in reading as measured by the Meets Grade Level Standard on STAAR will increase.

**Goal 1:** Number of students who successfully complete ENGL 1301/1302 before graduation will increase to 85%

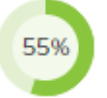

**Strategic Priorities:**

Expanding Educational Opportunities

**Next Year's Recommendation:** Update language to reflect any dual credit ELA course

**Measurable Objective 1:** Number of students who successfully complete ENGL 1301/1302 before graduation will increase to 85%

**Evaluation Data Sources:** Dual Credit completion / HCC grades

Strategy 1 Details	Reviews			
<b>Strategy 1:</b> Reading class for sophomores <b>Strategy's Expected Result/Impact:</b> Increase in number of students TSI ready for ELA dual credit before start of junior year <b>Staff Responsible for Monitoring:</b> Sarah Honore <b>Action Steps:</b> Schedule students accordingly  <b>Title I:</b> 2.6 - <b>TEA Priorities:</b> Build a foundation of reading and math, Connect high school to career and college	Formative			Summative

# State Compensatory

## Budget for 345 East Early College High School

**Total SCE Funds:** \$60,192.00

**Total FTEs Funded by SCE:** 0.95

### Brief Description of SCE Services and/or Programs

Benjamin Buso's position is 95% funded out of SCE. The rest of the funds will be spent on hourly teachers to support our efforts to increase academic performance for students identified as at risk of dropping out of school and educationally disadvantaged students.

## Personnel for 345 East Early College High School

<u>Name</u>	<u>Position</u>	<u>FTE</u>
Benjamin Buso	Social Studies / OneGoal	0.95

# Title I

## 1. Comprehensive Needs Assessment (CNA)

### 1.1: Comprehensive Needs Assessment

All schools develop comprehensive needs assessments as part of the planning and decision-making process. Title I schools have additional responsibilities to ensure that the plans and decisions regarding the use of federal dollars align with program requirements and the needs of students. Most students who choose East ECHS come from the immediate area and are typically the first generation in their family to earn a college degree, or even a high school diploma. Many families struggle financially resulting in several students securing employment to help their parents provide for their families. Although the school has been in existence for a little over ten years, notable traditions have been established, making it a top choice for students. There is a need for parent engagement to support with these efforts. Additionally, there is a strong need for social and emotional support for students. We are working to ensure students continue to be afforded these opportunities despite pandemic related impacts last two years. Most students who attend East ECHS come from families with limited English skills and limited knowledge of the American education system. Although some students may speak English fluently, they do not speak it with a rich vocabulary that is gained through hearing English spoken at home and throughout their community. Many students have parents who know and understand the value of obtaining a college degree, but do not have the knowhow or experience to navigate the process. Also, they do not have the funds to spend on expensive test preparation programs that many more affluent families are able to invest in.

## 2. Campus Improvement Plan

### 2.1: Campus Improvement Plan developed with appropriate stakeholders

The SIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out the plan, including teachers, principals, other school leaders, paraprofessionals present in the school, and other stakeholders. Stakeholders were involved with the development of this plan in the following ways: TITLE I Meetings and surveys.

## MEETING DATES

- September 19, 2022
- January 25, 2023
- February 27, 2023

•  
May 1, 2023

### 2.2: Regular monitoring and revision

Regular monitoring of the strategies funded through Title I occur in addition to the formative reviews required by this improvement plan. At our campus, regular monitoring of the implementation of strategies and students' progress includes: Review of plan with each department and admin team. Grade level Professional Learning Communities take place weekly. Title I funded Social Worker attends all grade level PLC's. We are also targeting students who require the most support during the day for AVID intervention.

### 2.3: Available to parents and community in an understandable format and language

The SIP is available to parents in the following locations: [www.houstonisd.org/EastECHS](http://www.houstonisd.org/EastECHS) on left side

The SIP was made available to parents by: posting link to our school website on homepage. Also shared via text message and callout with link to SIP

We provide the SIP to parents in the following languages:

- English
- Spanish

## **2.4: Opportunities for all children to meet State standards**

Opportunities for all students to meet the TEKS include these schoolwide reform strategies:

- Professional communications course for incoming students
- Strategic Learning for Math for all students enrolled in Algebra I
- OneGoal courses for juniors and seniors
- AVID course for all students

## **2.5: Increased learning time and well-rounded education**

Ways that we increase learning time and a well-rounded education for our students include:

- Tutorials offered before school, after school, and Saturdays
- AVID lessons centered around mental, social and emotional health
- Self Care classes to promote overall wellness

## **2.6: Address needs of all students, particularly at-risk**

An important campus focus is on schoolwide reform strategies that provide opportunities for all students, particularly those students who are at risk of not meeting the challenging State academic standards at advanced and proficient levels of student achievement. The strategies provided are based on evidence-based research to increase achievement for each student group on state tests and other assessments. Examples include the following:

- Building teacher capacity in their content areas and instructional areas:
- Proficient Tier 1 explicit instruction taking place in all content areas:
- Weekly Grade Level PLC's that include counselor, social worker and wraparound specialist
- Small Group Instruction based on student data needs:

## **3. Annual Evaluation**

### **3.1: Annually evaluate the schoolwide plan**

Our SDMC met on September 19, 2022 and reviewed updated accountability and TEAL data.

## **4. Parent and Family Engagement (PFE)**

### **4.1: Develop and distribute Parent and Family Engagement Policy**

The PFE was distributed

- On the campus website and in person at multiple Title I Parent Meetings held in mornings and afternoon.

The languages in which the PFE was distributed include

- English
- Spanish
- Vietnamese

Four strategies to increase Parent and Family Engagement include:

- Update school website calendar
- Send regular text messages with upcoming events to students and parents
- Use of Google Voice to text parents about student attendance
- PTO support along with opportunities to engage outside of PTO

## 4.2: Offer flexible number of parent involvement meetings

# TITLE I MEETINGS
