REOPENING SCHOOL for 2020-2021 year:

HISD's superintendent, Dr. Lathan, released the plan to reopen schools for the 2020-2021 school year on July 15th. If you haven't had the change to look at the comprehensible plan, please visit

<https://www.houstonisd.org/reopening>.

The school calendar has changed with this plan and the first day of school will be September 8th. The new school calendar can be found [here](#).

Also, and most importantly, school will be virtual at least during the first six weeks of school (first grading cycle). **In order to help us better prepare to support you with this method of delivering instruction, we ask that you complete the following survey no later than July 31st.**

Your updated information is essential for us to communicate with you. Our primary way of communication will be via email. Please make sure to check it regularly beginning in August.

SURVEY:

SUMMER HOMEWORK:

7th and 8th grade students were asked to complete the COVID Time capsule assignment. Directions are available in this link: <https://www.houstonisd.org/summerhw2020>. The completed assignments will be submitted to your child's homeroom teacher the first day of in-person school. We hope that happens in **October**. Their completed products will be placed in a container to be opened a week before they graduate High School.

2020-2021 SUPPLY LISTS:

Please go to this link at the end of July for the final supply list for each grade level.

6TH GRADE ORIENTATION:

Due to the delayed start of school, the virtual orientation for incoming students has been postponed. We will update the date by the end of July.
