At Westside, a retake is an assessment that matches the rigor and objectives of an original exam. Retakes often increase a student’s grade, but the primary purpose is a second opportunity to demonstrate mastery of course material.

Retakes should be similar in length and rigor to the original assessment and must NOT be designed for the purpose of raising a grade (i.e. significantly shorter assignment, completion grade, etc.)

Retake Guidelines

• All teachers must follow Policy EIA (Local).
• All major grades are eligible for a retake.
• Assignment must have been attempted to be eligible for a retake.
• Retake must be completed within two weeks of original test grade being posted in PowerSchool.
• Retakes are for failing grades (below 70).
• Students with absences still have the opportunity to have a retake for a make-up exam.
• Retakes are not allowed for final exams.

Retake Process

• Prior to retaking, students must complete one or more of the following, determined by the teacher:
  o Attend necessary tutorials
  o Complete alternative assignment
  o Complete necessary homework
  o Complete test corrections
• After a student completes a retake, the teacher has a week to grade the assessment.
• All retake grades are capped at a 70.
