## Reminder: TEXT MESSAGE ALERTS!

Download the Remind App and sign up for the class text alerts for updates on homework, quizzes, tests, and other important due dates.

## Course DESCRIPTION

### OVERVIEW

AP Statistics is a college level introductory course in statistics. You'll learn how to collect, analyze, and interpret data.

### GOALS

- Critical reading & writing
- Analytical thinking
- Creative synthesis & problem solving
- Attention to detail

### HOMEWORK

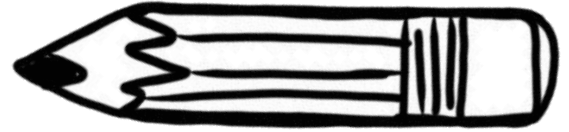

Students should expect at least 30 minutes of homework per day. Homework is due at the beginning of the next class.

website: <http://www.houstonisd.org/page/74104>

## grading PROCEDURES

- Student work should demonstrate understanding of the problem assigned
- Answer keys for homework are provided to help check student's answer. Therefore, NO WORK, NO CREDIT.
- Late homework will result in a 75 if completed.
- Missed quizzes will not be made up. The test following a quiz will replace the missing quiz.
- If a student fails a quiz and the test grade over the same material is higher than the quiz grade, then it will be replaced by the test grade up to a 75.
- If a student fails a test, there will be one opportunity to retest. This retest grade will replace the failing test grade with a grade up to 75. Students must do corrections, attend one tutorial, and submit a retake form.

SAMPLE OF grading

	Quiz	Quiz	Test	Retest
John Doe	60	93	91	
John Doe after changes	--	--	--	
Jane Doe	40	60	68	83
Jane Doe after changes	--	--	--	

## absentee POLICY

Students are responsible of contacting the teacher via e-mail when absent, checking the calendar for assignments, along with going through the power point posted on the website/HUB for any missed lessons to prevent falling behind in the course work.

- 1 Be on time
- 2 wear Your ID
- 3 Silence all electronic devices ≠ place it out of sight
- 4 Take care of the "DO NOW" when you come in
- 5 Be ready to learn and ask questions
