

Does your child currently wear glasses?

Are they having trouble seeing?

Do they have broken glasses?

Have they attended See to Succeed in the past?

If you answered **YES** to any of the questions listed above,  
please contact your school nurse to participate in See to Succeed.

See to Succeed is a program offered by the City of Houston Health Department to provide **FREE** eye exams and glasses to students in need ages 6 to 18 years old. See to Succeed is a school-based program where the students are picked up at the school and bused to the West End Health Center for a multi- station structured eye exam serving 100 students daily. Glasses are then delivered to the school Nurse about 4 to 6 weeks after their event date and distributed to the students.
