**F** - Full

**S** - Spaces available

**W** - Wait list still active, no seat count available

**No.** - Number of students on current wait list

This list will change rapidly in the first few weeks.

A program that is full does not anticipate accepting any more students at the specified grade-level.

Some programs will exhaust their wait lists while others will not. When the wait list is exhausted the status will change to "spaces available."

Programs with spaces available will be offering seats to Phase II, and possibly Phase III applicants.

Applications may be submitted to any program through August 14, 2015.
