

# HISD | School Choice

EDUCATION. YOUR FUTURE, YOUR CHOICE.

January 06, 2020

## Notice to Parents:

This letter is to inform you that your child is attending a school identified as a Texas Education Agency Public Education Grant (PEG) school for the 2020-2021 school year. This identification allows you to transfer your child to another school, with space available, because your child's zoned school is identified as receiving an "F" rating in both the Student Achievement domain and the School Progress domain.

If you would like to request a transfer to an eligible PEG transfer school for the 2020-2021 school year, you may:

1. Request a transfer to an HISD school eligible to receive PEG transfers (see list of eligible transfer schools on back)
2. Request a transfer to another school district to accept your child as a tuition-free transfer student under the State's Public Education Grant (PEG) program.

Please follow the steps below in transferring your child to an eligible HISD school:

- Complete an online Student Transfer Application request at <https://www.ChooseHISD.com> for the selected school from the "2020-2021 Eligible HISD Schools with Space Available to Receive Public Education Grant Transfers" (listed on back)
- PEG transfer requests are approved on a space available basis
- The transfer school must offer the appropriate educational program (Special Education, Bilingual Education, etc.) for your child
- Transportation is not provided for PEG transfers. Transportation to the transferred school will be the parents' responsibility
- PEG transfers follow School Guidelines and Student Code of Conduct and therefore may be revoked for unacceptable behavior subject to disciplinary action and/or excessive absences

If you would like to transfer your child to another school district, please contact that school district for the appropriate procedures.

If you would like more information about the PEG or School Choice transfers, please call the Office of School Choice at 713-556-6734.
