

# Berry Elementary Environmental Science Magnet

## Parent Teacher Organization Membership Form

The Berry PTO is a group that joins parents, teachers, and staff together to address the learning needs of our children and improve the quality of their education. The PTO’s key mission is to promote an environment at school where teachers and administrators can do their best work and students can do their best learning.

Family memberships are a significant source of funding for the PTO, enabling continued support of our amazing school! Your financial contribution allows us to sponsor many programs and events that enhance the standard school curriculum and benefit every child at the school. Some of these things include:

- Curriculum Enrichment (Art Night, Science and Math Night, etc.)
- Educational Support, including instructional materials and teacher professional development
- Assistance with the cost of furnishing classrooms and many of the classroom materials
- Staff appreciation events, including Wonderful Wednesdays and staff breakfasts and lunches
- Facility and playground maintenance
- Equipment to support the safety of our teachers, students, and staff

Main Goals for PTO:

1. Support the safety of all stakeholders at Berry. Our long-term plan is to have an officer every school year, but that will not be possible without parent support.
2. Support Berry’s goal of receiving FACE Diamond status and TEA ‘A’ rating every school year.
3. Supporting Berry’s goal in becoming a top Magnet school in HISD.

Thank you for your continued support of Berry Elementary School!

When you join the PTO, it is for the current school year only. PTO Membership and benefits do not roll into the next school year. Sign up for P.T.O.

Please fill out the form and return it with your membership dues of \$5.00 per family.
