

Michael Niggli

WALTRIP HIGH SCHOOL

Principal

1900 w. 34TH St. Houston, TX. 77018

January 7th, 2022

Dear Waltrip Parents and Community,

This is Waltrip Principal Michael Niggli with a few announcements. Please know that the entire Waltrip High School staff is concerned about their students and families, and on behalf of the staff we hope that everyone is safe and adhering to current healthcare guidelines.

Please remember that students need to be on campus daily at 8:20 am so that they can be in class and seated when the bell rings for first period to begin at 8:30 am. If your child misses a day of school for any reason at all, please be sure to supply a note for the absence. All excuse notes should be delivered to Ms. Guidry in the main office.

Our campus technicians, Mr. Gerhard and Mr. Gomez, continue to offer technical assistance to students throughout the day. They can easily be reached at cgerhar1@houstonisd.org or Harold.Gomez@houstonisd.org, respectively.

It has been a thrill to recognize our hard-working students at recent honor roll celebrations at each grade level. Parent support is critical to student success, and we thank all of the parents out there who are supporting their students on a daily basis with their academics and other needs!

Please keep in mind two valuable resources at your fingertips: The Waltrip College Center and Waltrip Wraparound Services. In the College Center it's Mr. Weltin tweltin@houstonisd.org, Ms. Brooks cynthia.brooks@houstonisd.org, and Ms. Rios lady.rios@houstonisd.org who are all here to help you with any college application or financial aid application needs. For all the non-academic needs, our Wraparound Services Specialist is Ms. Narvaez ana.narvaez@houstonisd.org.

As a reminder, masks are required at school. Students are doing a wonderful job of adhering to this safety requirement and we appreciate that!

Please be sure you continue to visit our school website for the latest school updates. Thank you.

Michael Niggli, Principal
