Given the increased challenges some of our district families are facing due to the COVID-19 pandemic, HISD has announced the suspension of the uniform policy for the upcoming school year. Relaxing the uniform requirements will hopefully provide some relief for families as they prepare for the school year. If students have uniforms and wish to use them, they are still welcome and encouraged to do so. Students will however be expected to follow the school appropriate specified by Wainwright Elementary School including:

- Shorts, skirts, and dresses must be mid-thigh length or longer. Bike shorts or tights/leggings should be worn underneath skirts and dresses
- All shirts should have sleeves. Tank tops or halter tops are not permitted
- Students should wear closed toe shoes that allow for safe play during recess and PE class.
- Noisy, distracting, or excessive jewelry is not permitted.
