

Dear Wainwright Elementary School Families,

Welcome to the 2024 - 2025 school year! We hope that you were able to relax and make special memories with your friends and families. Now it is time to look forward to a wonderful new school year as we continue to do things "The **WRIGHT**" Way" at Wainwright Elementary School!

Our incredible staff of educators have been working throughout the summer teaching summer school, attending professional development, and preparing classrooms for the new school year. We are grateful to our amazing custodial staff as they worked all summer getting our school in pristine shape. Our office staff, Mrs. Mary Thurman and Mrs. Pearl Franco, are working hard to ensure a smooth start to the year.

Wainwright Elementary School is a special place for students to learn and grow. We are proud of our school and have high expectations for every student. Together with our dedicated staff, we strive to make connections with students to help them feel valued, accepted, and safe. Our Wainwright motto, "Step Out of Your Comfort Zone and Soar", will continue to guide our mission to provide a rigorous school environment. Our overarching goal is to encourage active student engagement to foster a lifelong love of learning.

Last year was an amazing year for our Wainwright Eagles. Our students made great academic gains, as measured by DIBELS, NWEA, and the STAAR Assessments. In addition, we were recognized as a Diamond Certified Family Friendly School. We look forward to celebrating these achievements with our school community, as well as continuing to meet new goals this school year.

Partnering with families is crucial to student success. We encourage families to stay connected and informed by following our district and school websites. Moreover, teachers will communicate with families through Class Dojo.
