

GET THE SCOOP ON YOUR SCHOOL'S POOP!

Did you know that we can detect the germs that cause certain illnesses in the wastewater at your child's school?

Sign up to receive free alerts if germs are detected that cause COVID-19, RSV, and influenza (flu).

Scan the QR code below for more information and to register for text or email alerts and updates.

Surveillance System (NWSS)
Center of Excellence

STOP THE SPREAD

-  Stay home when sick
-  Get tested if you have symptoms
-  Get vaccinated if you are eligible
