to schedule an interview.

"Nationwide, students who participate in the Upward Bound program are four times more likely than their peers to earn an undergraduate degree."

-COUNCIL FOR OPPORTUNITY IN EDUCATION-

PROGRAM STRUCTURE

ACADEMIC YEAR

During the academic year, students will attend Saturday classes focusing on Math, Laboratory Science composition/literature and foreign language including tutoring and academic counseling and life skills. Students will also have the opportunity to attend educational and cultural field trips to various colleges, universities and museums. Periodically students and their families will have the opportunity to attend workshops on the college entrance process.

SUMMER PROGRAM

During the summer break, the Upward Bound Program will host a 6-week summer program designed to simulate a college going experience, focusing on math, laboratory science, composition, literature, and foreign language. Students participate in a variety of engaging, hands-on projects, focusing on becoming active, global citizens.

TRIO

UPWARD BOUND

Upward Bound is federally-funded through a TRIO grant from the United States Department of Education.

WHAT IS UPWARD BOUND?

Upward Bound provides fundamental support to participants in their preparation for college entrance. The program provides opportunities for participants to succeed in their pre-college performance and ultimately in their higher education pursuits.

Upward Bound serves: high school students from low-income families; and high school students from families in which neither parent holds a bachelor's degree. The goal of Upward Bound is to increase the rate at which participants complete secondary education and enroll in and graduate from institutions of post-secondary education.
