Creating Your CollegeBoard Account:

Welcome! In this presentation, we'll guide you through the steps to create your College Board account, which is super important for your educational journey.

Why You Need an Account:

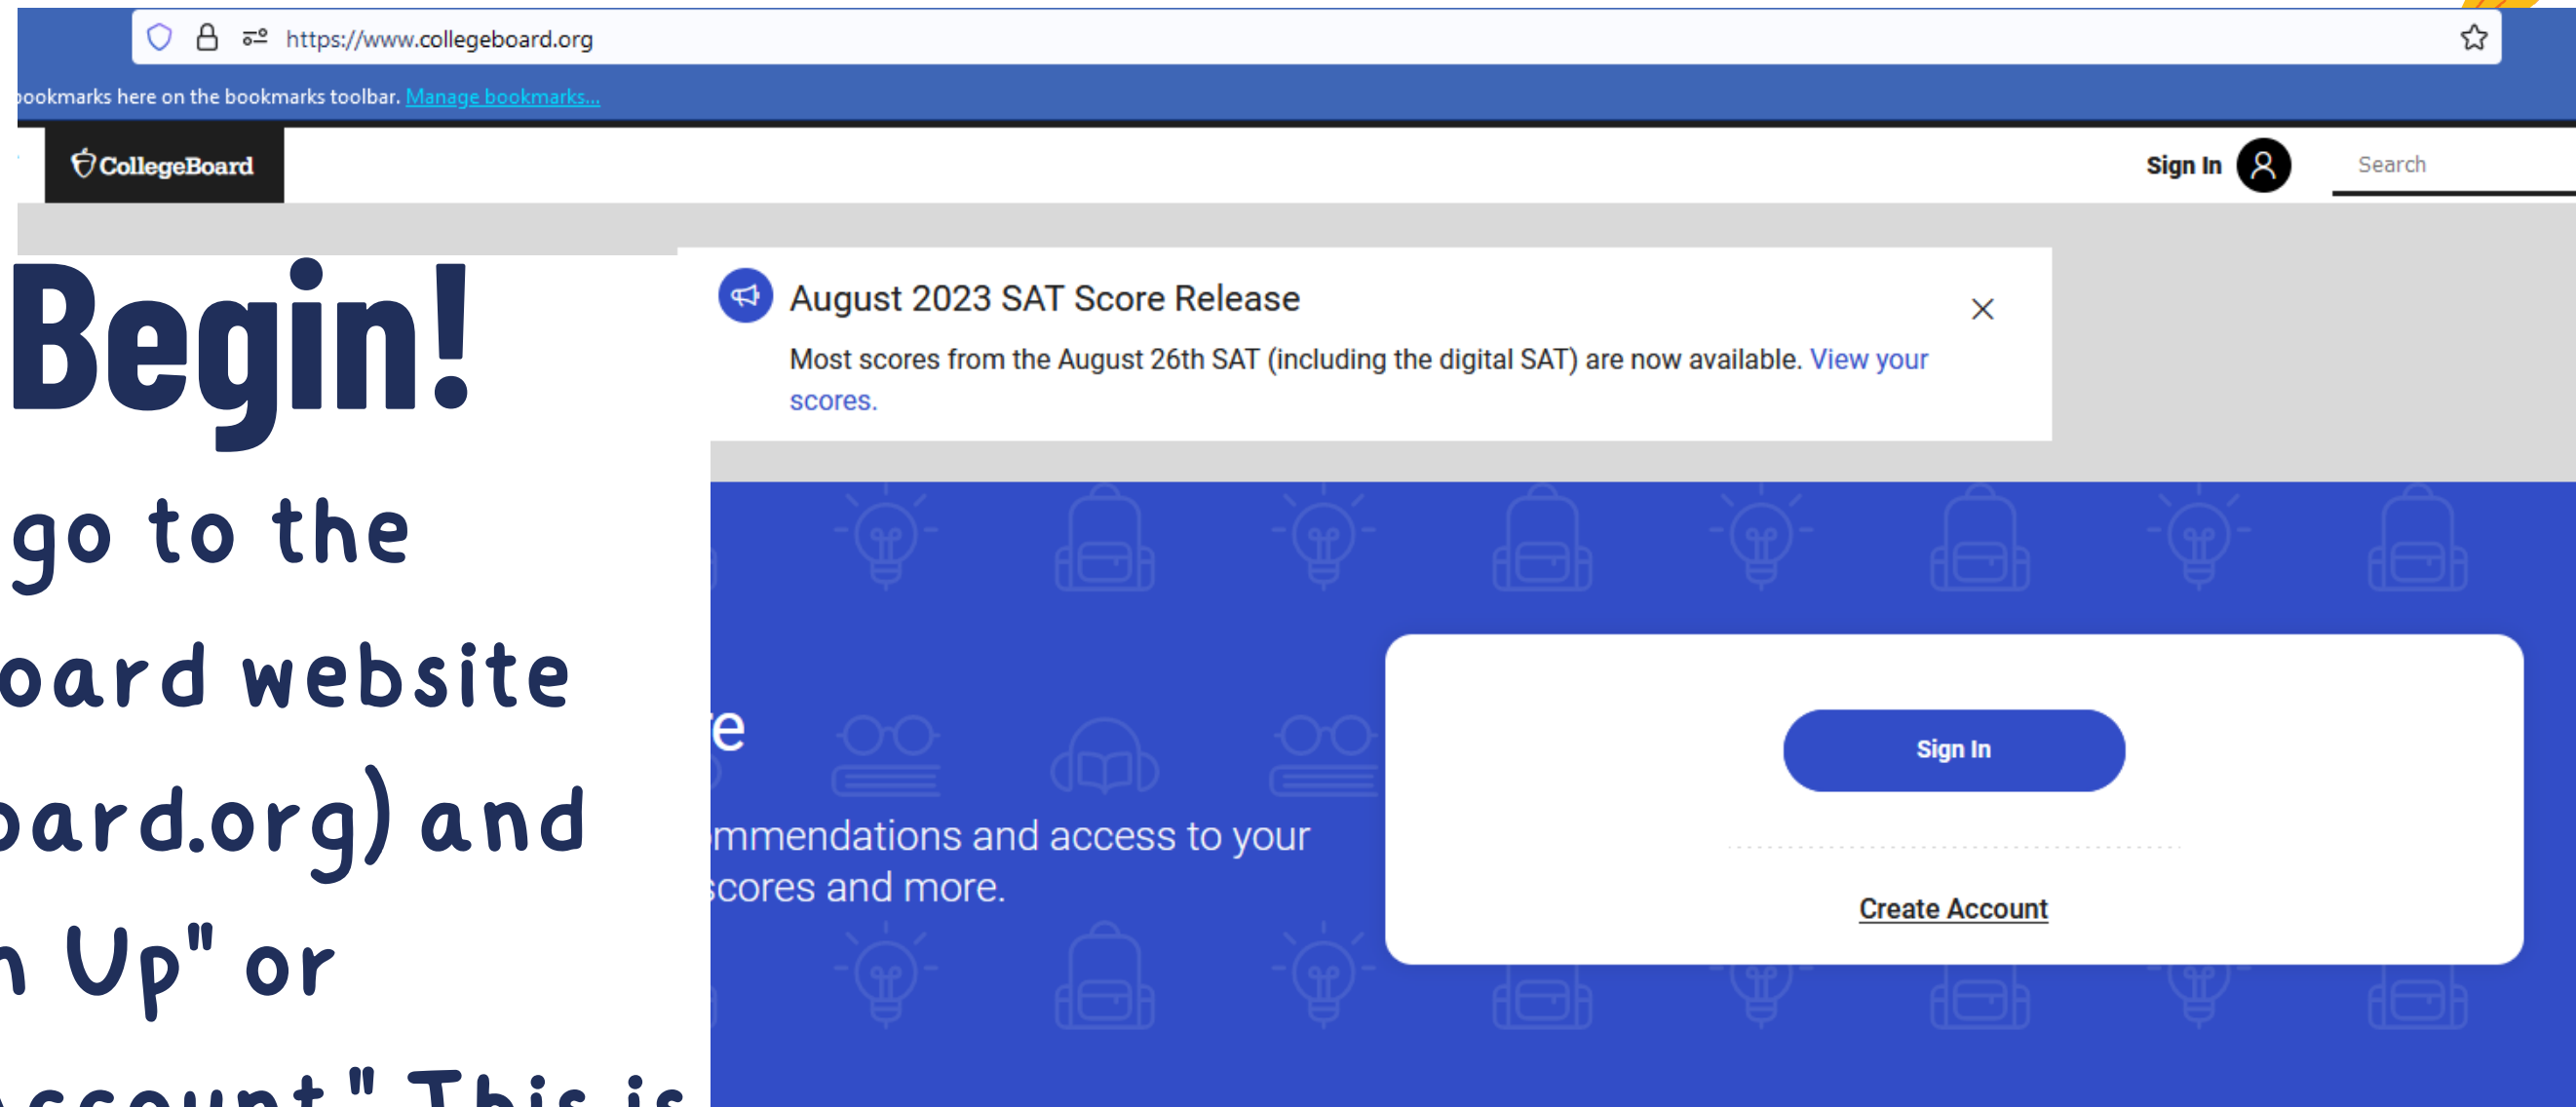

Your College Board account is like a key to many opportunities. It helps you register for AP exams, see your scores, send SAT scores to colleges, access scholarships, and more!

Let's Begin!

To start, go to the College Board website (collegeboard.org) and click "Sign Up" or "Create Account." This is the first step to unlock a world of possibilities.

Personal Information:

Fill in your
name,
birthdate,
email
address.

*Use an email you check often
because CollegeBoard will send a
verification code.

Confirm Your Email

College Board will send an email to the address you provided. Open it and click the link inside to confirm your email. Or enter the Verification Code sent.

Complete the CollegeBoard Registration Process:

You'll create a password, supply a phone
number, and finalize your account.
