3. No more than 3 total excused absences during the SPRING semester in the specific class period that you are seeking an exemption.
4. An overall SPRING semester average of 85 or higher in the specific class period you are seeking an exemption.

## **Who can exempt?**

Seniors: May exempt all

Juniors and Sophomores: Up to two academic

Freshmen: One academic

## **How will the process work?**

### **Seniors:**

Senior teachers may enter in exemptions at anytime by entering a "Exc" in gradespeed for that student's final exam grade. On Monday, May 20<sup>th</sup> Mr. Tellez will send a list of seniors and any unexcused absences they have. If they show up on this list for your class then they are disqualified

### **Underclassmen:**

Just as we did last year, we will have underclassmen apply for exemptions online through a google form (one for 9<sup>th</sup> and one for 10<sup>th</sup>/11<sup>th</sup>). **The form will be open and posted on the HUB from Monday May 13<sup>th</sup> to Friday May 17<sup>th</sup>.** It is on the student to make sure they meet the requirements. Mr. Tellez will send out unexcused absence lists by grade level so that teachers can see who is instantly disqualified due to an unexcused absence in the course they are applying for or in an ADA period. Exemptions will show in the gradebook as "Exc" under the grade for the final exam.
