

HSPVA Student Laptop Opt Out

Must be signed by Student AND Parent!

Return this signed form instead of the Student Laptop Loan Agreement if you are using your own laptop rather than an HISD PowerUp laptop.

We, the undersigned student and parent/guardian, are declining the use of an HISD PowerUp laptop. We understand that the student is required to have a fully charged laptop at school each day; and that some software required for class assignments may not be available to download for free on a student-owned device. We also understand that HISD acceptable use policies for technology and internet applies to student owned devices while at school or on HISD WiFi.

A student may be issued an HISD PowerUp laptop at any time during the year, provided they return the signed Laptop Loan Agreement, along with \$25 fee to the HSPVA Tech Office.
