Dear Parent/Students:

My name is Carmella Irving and I will be your child's teacher this year. I would like to welcome you to Madison H.S. I am looking forward to getting to know you and your child. I thank you for entrusting me with your child's education.

I am a graduate of Texas Southern University home of "The Mighty Tigers ". I am a Certified Special Education Teacher K-12. I also have a certification in General Education. I have been a classroom teacher for over 10 years. I am a wife, a mother, and grandmother. I have two wonderful daughters. My husband is also in education. I have two wonderful grandchildren. My granddaughter is in high school. My grandson just turned 4. I understand how hard it is during this time trying to take care of family and juggle all the things during this pandemic.

Although this year may begin differently. I plan to engage students virtually and with hands on learning. My love for educating students and watching them learn and grow will never change. I am very passionate about education. Although this year has been very challenging, it has given us the opportunity to reconnect with our families and embrace the love we have for one another. Family is very important.

Please know I am very flexible and passionate about education. I plan to educate my students as if they were my own children. I will provide you with my cell number, as well as my email address. I believe when we work together, we can overcome any challenge. It is my honor to serve you. I look forward to this exciting new year.

Carmella Irving

Madison H.S
