Hello Parents and Students,

Welcome to the BSC Program at Madison High School, Home of the Mighty Marlins! I am very excited about the dawning of a new school year and the opportunity to continue serving you and your child(children).

My name is Michael Adams Jr. I am a proud husband and father of five. I earned my bachelor's degree from Northwestern State University and my teaching certificate through Teachworthy. It is my passion to inspire students to pursue a life beyond their dreams and aspirations, as I come from a long line of educators. In addition to my family lineage of educators, I have over five years of experience working with students with different backgrounds, special learning needs, and physical needs.

I am excited about working with you and your child, and I welcome any questions, comments, or concerns that you may have. I am looking forward to a great year!

Educationally Yours,

Michael Adams BSC Teacher
