Greetings Madison Marlins-Students and Parents,

My name is Ms. Ware. I hope that you have enjoyed your summer. I would like to take the time to welcome you to the 2020-2021 school year. I am special education Co-Teacher at James Madison High School. I wish for every student to feel welcomed and important at James Madison High School. I was born in Houston, Texas. My favorite food is seafood, and my favorite color is brown. I enjoy reading, and one of my favorite authors is Mary Monroe. I also enjoy reading about Civil Rights Leaders. I listen to jazz music, take pleasure in traveling and gardening.

It is important to start your child's academic year off strong. Please work with your child on establishing routines and setting aside time for homework after school. Make this a habit for the whole family as staying on top of homework and studying regularly are essential practices that lead to success. Simply put, achievement at school begins at home since learning is a life-long process that spans across settings.

My promise to you as your case manager is that I will do my best every day to ensure that you accomplish all of your academic goals here at Madison High School. As your special education case manager, I will be your advocate and coordinator of all of your ARDs, IEP paperwork and special education supports and services. I am also here to work with you and your general education teachers to ensure you are successful.

If you need to contact me, I can be reached by email at Monica.Ware@houstonisd.org or HISD TEAMS on the HISD Portal.

Sincerely,

Monica Ware
