Dear Students and Parents,

Welcome to the 2020-2021 school year. My name is Ms. Nancy White. I am excited to return for the 2020-2021 school year at Madison High School. During this challenging time of COVID-19, my wish is that you and your families are safe, healthy and ready for this academic school year.

I graduated of Texas Southern University with a B.S in Athletic Training and the University of Texas at San Antonio with a M.S in Sport Psychology. I am from San Antonio, TX and I love to travel around the world, especially Africa. I also currently serve in the Texas Army National Guard.

As you may know, HISD will start the 2020-2021 school year with online instruction for the first 6th weeks. I am excited to inform you that the technology is simple to use and as your special education case manager I will be here to assist you through all the new and confusing things you will encounter. All your work will be on the HISD-HUB and classes (sessions, subject periods) will be on the HISD TEAMS APP.

My promise to you as your case manager is that I will do my best every day to ensure that you accomplish all academic goals here at Madison High School. As your special education case manager, I will be your advocate and coordinator of all your ARDs, IEP paperwork and special education supports and services. I am also here to work with you and your general education teachers to ensure you are successful.

The easiest way to reach out to me will be through our TEAMS APP on the HISD portal. You can also email me at nwhite7@houstonisd.org. I will be in communication with you daily. I may call you, email you or send you a message in TEAMS. Until we return to campus, I will make several wellness checks on you to ensure that your academic needs are being met. Although things are different, we will make it through better than ever. My is to mission to “empower you to sucessful.”

Thank you for your sincere trust in the process,

Nancy White
Office of Special Education
Case Manager
