Greetings,

Welcome to the 2020-2021 school year! My name is Mr. Willie D Kayembe. I will be your child's special education PSI for the 2020-2021 school year, and I am thrilled to have you in my classroom. I look forward to working with you during this challenging and exciting school year. The following outline aims to help you and your parents feel more comfortable with what the year has in store.

This year, we will focus on the following areas:

- Math, Science and Reading
- Social Studies (Geography, History, Economics, Government and Citizenship)

And many other disciplines that apply to the special education and general education curriculum.

In addition to classroom lectures and textbook reading, we will complete hands-on activities.

In order to accomplish all learning goals this year due to pandemic, the school district is distributing laptop devices to all students in order to have access to virtual learning until further notice.

If you have any questions about these items, please do not hesitate to call the Madison High School main office at (713) 433-9801. If you have questions or concerns about any part of the school year please reach out to me either during school hours by email at Willie.Kayembe@houstonisd.org or by phone at 832.714.9560.

I look forward to getting to know you better and helping you achieve all your educational goals for the year 2020-21

Let us work together to make this the best year ever!

Sincerely,

Mr. Willie D Kayembe
