DEPARTMENT PURPOSE

The SPED Department of Student Services has two purposes (1) providing services to all students in the areas of academics, physical, mental and behavioral health, and (2) providing Specialized Designed Instruction for students with disabilities so they may progress in their educational programs.

STRATEGIC FRAMEWORK

Student Services work aligns with the District's Strategic Framework **Priority Area I: Coherent Instruction**

- Provide every student with a well rounded, culturally responsive and coherent instruction that leads to college, career, and community readiness
