Meeting was called to order at 3:35 pm.

1. Enrollment 23-24 Update
 - a. Currently 732 students
 - b. Ms. Epps will review the data and trends for the increase in enrollment to make projections for the 24-25 school year.
2. Budget Update
 - a. Ms. Epps will circle back to the district for the enrollment funding balance. To date no funds have been placed in budgets for over-projections.
3. District Calibrations
 - a. Districts are doing visits to compare how principals are rating teachers in comparison to district personnel rating teachers on the campus. Roberts had a visit today, 11/30. Three district personnel visited 10 classrooms: three 2nd, 4th, 5th, and one 3rd grade class. The Executive Director (ED) will provide feedback to Ms. Epps at a later date.
4. School Action Plan Review
 - a. Schools created an Action Plan this year. The action plan is tied to the principal and assistant principal's appraisal.

- b. Ms. Epps reviewed the Action Plan with the Committee.
- 5. Personnel update
 - a. A 4th grade teacher resigned and there is a plan in place to have the students receive 2 hours of instruction daily from the certified 4th-grade teachers on the team while the long-term will support the students outside of Math and RLA. Ms. Epps is actively seeking a replacement teacher for the students.
- 6. Questions/Comments from the Committee
 - a. Special Ed compliance at district level
 - b. District of Innovation next steps
 - c. Next SDMC Meeting in January

Meeting adjourned at 4:15 pm.
