2. School Safety
 - 5th grade deck
 - Ms. Epps sent another email to the district regarding the tree at the 5th grade deck. Parents are very concerned and have submitted a lot of complaints.
 - The plan is to expand the deck and put a shade over the deck for multi-purpose use (outdoor learning space).

- Safety drill
 - Three teachers failed the anonymous check; rooms were not locked or propped open with students inside.
 - District requirements are:
 - If students are in the classroom, door must be closed and locked.
 - If students are not in the classroom (lunch time, ancillary, etc.), doors do not have to be closed and locked.
 - We anticipate another anonymous check before the Winter Break.
- 3. Budget
 - Ms. Epps has an upcoming budget meeting. We are in good standing at the moment.
- 4. Questions from the Committee
 - Rocks and woodchips on the playground
 - Winter Party times and number of volunteers

Meeting adjourned at 4:01 pm.
