- **Planning Ahead for the 22-23 School Year: As we begin to plan for the upcoming school year what Ms. Epps would like feedback from staff and PTO on the following areas.**
 - Resources to Support Curriculum
 - What things do we have to support the classroom environment?
 - Standardize curriculum items from the district (Really Great Reading)
 - Supports for IB
 - Professional Development
 - Lead4Ward
 - Classroom materials
 - Other items
 - Survey will be created to capture all the resources needed for grade-level and school-wide; PTO will help to put in place; goal is to place order before the end of the school year
 - Social Studies curriculum
 - Approach to vocabulary (Into Reading)
 - More technology so we can be closer to 1:1; still cannot purchase technology with school funds yet
 - Writers in the Schools (WITS)
 - Handwriting curriculum
 - Classroom materials: book bags, classroom library, etc.
 - District-sponsored competitions: Name that Book, Math, Odyssey of the Mind, etc. After-School clubs can be used with ESSER funds.
 - Include parents to help volunteer and with practices

- **Budget for 22-23 School Year**

- District is looking to move to an FTE model; we currently have a decentralized budget; FTE is a fixed model. Once the district has finalized the plan, Ms. Epps will share with the SDMC. The committee asked if PTO could pay for full-time contract positions in the event we do not have enough allocated under the new model. Ms. Epps explained that the only positions the PTO can help support are hourly positions and district approved contracted positions.

Meeting adjourned 4:14pm.
