Virtual Schedule Components

Pin Oak Connect

Taking place each Monday and Tuesday at 8:30, morning announcements for POMS families will be given by Ms. Shoulders. These should take around 15-20 minutes, giving students ample time to get to their first class of the day at 9:00.

Connection Groups

Taking place each Wednesday and Thursday at 8:30, connection groups are teacher-led groups that focus on the social-emotional development of each student. We will prioritize building relationships, giving students a space for talking about social-emotional issues, sharing feelings and advice with others, and learning how to manage stress and work through mental and emotional challenges.

Whole Group

Whole-group days are when the teacher meets virtually with the entire class for an entire period.

Small Group

Small-group days are when the entire class checks in with the teacher during the first ten to fifteen minutes, then the teacher will separate students into two groups. Group 1 will work with the teacher while Group 2 works independently, then the groups will switch roles. Everyone regroups as an entire class for the last ten minutes of the period.

PLC Planning and Cluster Meetings

Cluster meeting times are available for parent/student conferences. Email the House Principal or Cluster Leader to set up a meeting if needed.

PLC Planning is a time for teachers to meet and plan with their content teams.

Independent Learning and Teacher Office Hours

Students will use this time to work at their own pace and complete assignments that are posted on the HUB. Teachers are available to answer emails and questions.

Blue/Silver (formerly Blue/Green)

On Blue days, students will attend their 1st, 3rd, 5th, and 7th period classes. On Silver days, they will attend their 2nd, 4th, 6th, and 8th period classes. Charger Days include every class.
