AS A PARENT, I PLEDGE TO...

- Talk with my child about school activities, share experiences with my child and show an active interest in what is happening.
- Be sure that my child attends regularly and teach my child to be prompt.
- Read to my child daily.
- Cooperate with the school in carrying out recommendations about my child.
- Ensure that students actively participate in virtual learning.

AS A STUDENT I PLEDGE TO...

- Make a sincere effort to do my best.
- Accept responsibility for my own actions.
- Exhibit Good social habits and initiate my own learning.

AS A TEACHER I PLEDGE TO...

- Approach each assignment with enthusiasm and regard student as an individual, with a unique set of potentials and talents.
- Plan and conduct a program of instruction, which will make students want to learn and which will let him/her fulfill his/her promise.
- Model and teach Good social habits as well as strategies on how to deal with conflict.
- Inform student's parents, in accordance with school procedures, about how student is developing academically and about his/her social skills.

As an educational team, we pledge to work together this school year for the academic success of each and every student.
